

Please answer the following Letter of Intent questions:

Name of PI: _____ Affiliation: _____

Title of PI: _____ Email: _____

Office phone: _____ Mobile number: _____

TITLE OF PROPOSED PROJECT: _____

Project Duration: _____ 1 Year; _____ 2 years; Projected end date _____

Project Summary – suggested 250 words or less and include: a. project goals; b. project objectives; c. how project will be completed in the proposed period; and d. how outcomes will benefit stakeholders/end users.

Project Plan of Work – suggested 400 words or less and include: a. description of experimental methods and procedures; b. mention any scholarly work that is related to and supports the proposed research; c. identify gaps in the knowledge base that the proposal is trying to fill; and d. state the relevance of the project to the goals of the NPMTI and how this project will support the highly collaborative nature of the NPMTI.

Collaboration – Will this proposed project rely on collaborators? _____ Yes _____ No
If yes, briefly describe – suggested 100 words or less.

Project Budget Estimate – Provide a budget table outlining the funds needed to perform the described work. If the proposed duration of the project is 2 years, please provide an annual budget breakdown. The budget table may include total funds requested for: salaries, equipment, travel, supplies, and other direct costs. Any funds requested for collaborators should be included in the totals.

Along with the budget outline, include a budget justification (1-2 paragraphs) to help explain the breakdown of the proposed funds in each category in the budget table.

Other Funding – Will this proposed project rely on matching funds, or other sources of income?
_____ Yes _____ No

If yes, provide a list of any current and pending support in a tabular format that includes PIs, Supporting Agency, Total Amount, Effective and Expiration Dates, Titles and Main Objectives of each project(s).

Thank you for your submittal to the National Predictive Modeling Tool Initiative.

Review of your Letter of Intent should take about two weeks.
